

# Exterior Signlight ENSIGN

## ENSIGN

- Constructed from solid brass, polished and lacquered to protect against tarnishing (PLS100) or powder coated black (PLS101)
- Ensign adds character to signage over pubs, restaurants, shops etc.
- Electrical protection class I
- Fitted with an E27 lampholder, the end user has a choice of incandescent GLS lamps, (100 watt max.), or compact fluorescent electronic energy saving lamps (lamp not inc.)

PLS101

Polished Brass	Black
<b>PLS100</b>	<b>PLS101</b>

## SPACING

To attain an even distribution of light Ensigns should be spaced at 1.0 - 1.2m centres.

Classic sign lamp in solid brass. Adds character to traditional pub, restaurant and shop frontages.
